**RE: FY17/18 Budget Request**

The Town of Amherst recognizes that non-profit organizations fill an important role in improving and maintaining our community's quality of life. The Town funds organizations that provide these benefits to the Town's residents and business operators when monies generated from the Town's tax base can be justified.

Enclosed is a Town agency funding request form for Fiscal Year 2017/2018. If your agency desires funding from the Town of Amherst for the fiscal year beginning July 1, 2017, the request should be submitted on this form with the required attachments and returned by January 31, 2017. If you prefer, you can e-mail your request form and required documentation to me at [jack.hobbs@amherstva.gov](mailto:jack.hobbs@amherstva.gov).
