**UPDATED JULY 2, 2020- NOTE NEW CANCELLATION INFORMATION ABOVE
PUBLIC HEARING REGARDING A TEMPORARY RV PARK IN BROCKMAN
INDUSTRIAL PARK**

The public hearing for the Temporary RV Park will be opened, as advertised, at the July 8 meeting with opportunity to comment at that meeting. The public hearing will then not be closed, but continued to the August meeting to allow additional comment.

If you would like to comment at the July meeting, you may do so in two ways.

- First, you can submit comments in writing, via email to vicki.hunt@amherstva.gov at any time up to 6:00 pm on July 8. If you submit an email comment, please include your full name and your address in your email so an appropriate record can be kept.
- You may also comment in person. There will be a sign in sheet on a table outside of the public meeting room entrance starting at 6:30 pm on July 8th. Citizens will be asked to wait in their cars for their turn to speak in order to keep the number of people in the public meeting room to an appropriate number to maintain social distancing. Staff will call citizens in for their turn to speak and each person has three minutes to speak regarding the proposal.

The purpose of continuing the public hearing to the August meeting is to allow additional information to be disseminated to the public for their consideration prior to the public hearing. By Code, the advertised lease should have been posted no later than July 1st to allow citizens time to review the lease in advance of the hearing. While a draft lease could have been posted on that date, it would have been incomplete and would not have met the spirit of the law. The Town's goal is to provide complete information for the public prior to the hearing. Since a proposed lease agreement is not completed, additional general information will be provided prior to the public hearing on our website as well as the proposed lease when it is completed.

If you have questions about the process, please call Vicki Hunt at 434.946.7885 or email her at vicki.hunt@amherstva.gov.
