A. PURPOSE:

The purpose of this Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiation for Banking Services for the Town of Amherst.

B. BACKGROUND:

The Town of Amherst is located at the base of the Blue Ridge Mountains in Amherst County. Its location is adjacent to Sweet Briar College with a land area of 4.92 square miles and approximately 2,200 residents. The Town has a five-member Town Council and a mayor. All powers of the town are vested in the Council who enacts ordinances (local legislation), adopts resolutions and budgets, determines policy, and appoints the Town Manager and Police Chief.

The Town Treasurer's office is responsible for all town utilities, local Town taxes, Town Business Licenses, Town Meals and Beverage Tax, and all other forms of Town receipts.

The Town's current general banking services do not allow for online banking services or ACH transactions. The Town currently has a separate banking account used solely for Direct Deposit payment for employees. The combined lack of ACH services and a significant reduction in interest being paid on the Town's deposit accounts has resulted in this solicitation of proposals for general banking services.

C. SCOPE OF SERVICES:

1. General Requirements:

- a. Prior to the deposit of any Town funds in a financial institution, the institution must, for the protection of any such deposits, have first pledged or deposited into escrow securities of such quality, in such manner and to the extent required by the Director

- c. Proposals shall be signed by an authorized representative of the offeror. All information requested should be submitted. Failure to submit all information requested may result in the purchasing agency requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete or lack key information may be rejected by the purchasing agency. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.

The classification of an entire proposal document, line item prices, and/or total proposal prices as proprietary or trade secrets is not acceptable and will result in rejection of the proposal. If, after being given reasonable time the offeror refuses to withdraw an entire classification designation, the proposal will be rejected.
- g. Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the agency. This provides an opportunity for the offeror to clarify or elaborate on the proposal. This is a fact finding and explanation session only and does not include negotiation. The issuing agency will schedule the time and location of these presentations. Oral presentations are an option of the purchasing agency and may or may not be conducted.

- 2. **FORMAT:** The Town will follow the evaluation process and selection criteria described in this RFP. In order to provide each offeror an equal opportunity for consideration, adherence to standardized proposal format is required. Charges which appear to be unreasonable will be resolved in accordance with *Code of Virginia*, § 2.2-4363 and -4364. Upon determining that invoiced charges are not reasonable, the Town shall notify the contractor of defects or improprieties in invoices within fifteen (15) days as required in *Code of Virginia*, § 2.2-4351. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Town.

- 10. PRECEDENCE OF TERMS:** General Terms and Conditions shall apply in all instances. In the event there is a conflict between any of the other General Terms and Conditions and any Special Terms and Conditions in this solicitation, the Special Terms and Conditions shall apply.

The contractor shall comply with the notice upon receipt. The contractor shall be compensated for any additional costs incurred as the result of such order and shall give the County a credit for any savings. Said compensation shall be determined by one of the following methods:
 - c. By mutual agreement between the parties in writing; or
 - d. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the County's right to audit the contractor's records and/or to determine the correct number of units independently; or
15. **DEFAULT:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Town, after due oral or written notice, may procure them from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed bidding only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid nonresponsive. Unless the offeror clearly indicates in its proposal that the product offered is an "equal" product, such proposal will be considered to offer the brand name product referenced in the solicitation.

18. **INSURANCE:** The Consultant shall be required to maintain in force such insurance, in amounts acceptable to the Town, as will protect it and the Town from claims which may arise out of or result from the execution of the work, whether such execution be by the firm, its employees, agents, subcontractors or by anyone for whose acts any of them may be liable. This coverage should include, at a minimum, Worker's Compensation and General Liability (including premises/operations, independent successful firms, products and completed operations, contractual liability and personal injury liability). All insurance shall be provided by companies authorized to conduct business in the Commonwealth. The Consultant shall furnish the Town with an original Certificate of Insurance upon request. The Consultant shall notify the Town at least 30 days prior to policy cancellation, non-renewal or reduction of coverage.

For the purposes of this section, "*drug-free workplace*" means a site for the performance of work done in connection with a specific contract awarded to a contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

22. **BID PRICE CURRENCY:** Unless stated otherwise in the solicitation, offerors shall state offer prices in US dollars.
23. **NONDISCRIMINATION OF CONTRACTORS:** An offeror shall not be discriminated against in the solicitation or award of this contract because of race, religion, color, sex, national

origin, age, disability, faith-based organizational status, any other basis prohibited by state law relating to discrimination in employment or because the bidder or offeror employs ex-offenders unless the state agency, department or institution has made a written determination that employing ex-offenders on the specific contract is not in its best interest. If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

Contractors who utilize, access, or store personally identifiable information as part of the performance of a contract are required to safeguard this information and immediately notify the agency of any breach or suspected breach in the security of such information. All phase-in/phase-out work fees must be approved by the Contract Officer in writing prior to commencement of said work.

25. **PROPOSAL ACCEPTANCE PERIOD:** Any proposal resulting from this solicitation shall be valid for (90) days. Failure to report and/or repair deficiencies in a timely manner shall be cause for the Town to make a determination of breach of contract.
