

Utility Maintenance Technician

The Town of Amherst is accepting applications for the following jobs:

Utility Maintenance Technician (full-time): This is a full-time, entry-level position with benefits including VRS pension and employer-paid health insurance.

Utility Maintenance Technician (part-time/seasonal): This part-time position features up to 28 hours/week bush hogging water and sewer rights of way and Town owned property during the 2017 mowing season.

The pay rate for these positions will depend upon the qualifications of the individual selected with the anticipated starting pay anticipated to be \$15.06/hr. Individuals interested in construction, maintenance and/or water and sewer system operation are encouraged to apply before March 1, 2017. Information on the Town, the position description and application procedures can be found at www.amherstva.gov. EOE

Background and Application Instructions for Utility Maintenance Technician

February 9, 2017

This is to provide a summary on the Town of Amherst's Utility Maintenance Technician positions and to issue a standard set of application instructions to all interested individuals.

Utility Maintenance Technician (full-time): This position will assist in the maintenance function provided by the Town of Amherst's public works crew which focuses on sustaining municipal water and sewer services and other areas depending on the changing needs of the Town. Full-time employees are provided health insurance, vacation/holiday leave time and VRS retirement plan benefits. The Town will give preference to applicants that have appropriate experience and good people skills.

Applicants are advised of the Town's policy under which the Town provides medical coverage for each full-time employee at no cost to the employee (a \$566/month benefit). Currently, employees may opt to purchase "dual" coverage for \$481/month or family coverage for \$962/month on a pre-tax basis.

Utility Maintenance Technician (part-time/seasonal): This part-time position features up to 28 hours/week bush hogging water and sewer rights of way and Town owned property during the 2017 mowing season. No health insurance, vacation/holiday leave time or pension benefits apply to this position.

Applicants are to complete all portions of a Town of Amherst application form available on the Town's web site (<http://amherstva.gov/departments/forms-files-downloads/>, under Miscellaneous Forms), sign and return it to the Town Hall at P.O. Box 280; Amherst, VA 24521.

A resume will not be considered an acceptable substitute for this application.

Applications will be reviewed on the basis of apparent qualifications. Unqualified individuals will not be considered. **General inquiries by the applicant via telephone or in person are discouraged.**

All applicants are expected to be high school graduates and possess a valid driver's license. All applicants must pass a drug screen and background investigation.

Applications will be considered until the position is filled. Screening interviews will be scheduled as applications are received.

Utility Maintenance Technician

Department: Public Utilities

FLSA Status: Non-Exempt

General Definition of Work

Performs intermediate semi-skilled work in the construction, replacement, repair, installation and cleaning of the Town's sanitary sewer and water distribution systems and facilities, and related work as apparent or assigned. Work is performed under the moderate supervision of the Senior Utility Maintenance Technician and Utility Foreman.

Qualification Requirements

To perform this job successfully, an individual must be able to perform each essential function satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required. Reasonable accommodations may be made to enable an individual with disabilities to perform the essential functions.

Essential Functions

Installs, repairs, cleans and inspects water and sewer mains, meter, hydrants, valves, cleanouts and other equipment; locates water/sewer lines; participates in sewer and water taps and repairs and related emergencies.

Operates medium and heavy equipment including back hoe, jet-vac, dump truck, etc.; operates excavating equipment as needed.

Maintains Town rights of way and access roads; performs Town beautification, streetscape and related assignments.

Reads water meters; terminates water service for non-payment; restores water service.

Locates water and sewer lines for VA 811.

Assists with the daily operation of the Water and Wastewater Treatment Plants; performs equipment installations, maintenance and repairs, and preventive maintenance.

Maintains Wi-Fi antennas and towers for connectivity.

Removes snow and ice from Town properties and access roads.

Performs on-call and stand-by after hour duties as requested.

Performs special projects as assigned by the Director of Public Utilities.

Installs traffic barricades for routing traffic during special events.

Responds to customer inquiries and complaints; takes necessary action; relays more complex problems to supervisor.

Knowledge, Skills and Abilities

General knowledge of the tools, materials and equipment used in the installation, replacement, maintenance and repair of utility lines; general knowledge of a variety of maintenance and manual tasks involved in the installation, maintenance, repair and replacement of utility lines and appurtenances; thorough knowledge in the use of common hand and power tools; ability to operate back hoe and other medium construction equipment; ability to perform manual and semi-skilled labor for extended periods, often under unfavorable weather conditions; ability to establish and maintain effective working relationships with associates, contractors and the general public.

Utility Maintenance Technician

Education and Experience

High school diploma or GED and moderate experience in the maintenance, repair and/or construction of water and sewer lines, or equivalent combination of education and experience.
