Special Use Request: 488 S. Main Street (TM#95A56)

Interim Town Manager Peter Huber reported that a special use permit requested by Reggie Catlett, owner of JAK, LLC, would, if approved, allow JAK, LLC to do light machining and processing of electrical equipment and components in the former Brockman building located at 488 S. Main Street (TM#95A56).

Copies of the special use permit application, advertising notice, list of adjacent property owners and notice, sign affidavit, Table of Zoning Use, and an excerpt from the Town's Comprehensive Plan regarding Economic Development, were provided to the Commissioners.

Reggie Catlett, Owner, JAK, LLC, was present to answer questions.

Commissioners questioned whether the business was being relocated, what the noise level would be, whether there would be a need for outside lighting, and if the business would bring any additional jobs to the community.

Mr. Catlett responded that the business was being relocated from Lynchburg; the noise would be no more than an air compressor or no greater than that of an auto repair; he anticipates no outside lighting other than for security purposes around doorways; and that he does not anticipate hiring any additional workers at this time.

Chairperson June Driskill opened a duly advertised public hearing on the special use permit request at 7:14 P.M.

Chairperson June Driskill made the following statement: "I am an adjacent property owner and so I will not be voting on the process. I am not opposed to it. I will just not be voting on it."

John P. Brockman, Amherst, VA, came forward in favor of the project stating that it would be a boost for the community.

There being no one else present who wished to speak on the matter the hearing was closed at 7:16 P.M.

Sec. 18.1-908. Signs.**Sec. 18.1-908.01. Intent.**

The intent of this section is to establish limitations on signs to ensure that they are appropriate to the neighborhood, building or use to which they are appurtenant and are adequate, but not excessive, for their intended purpose as a means of communication without adverse impact on the visual character of the area; to ensure that signs are compatible with their surroundings; to maintain and enhance the aesthetic environment of the Town of Amherst and its entrance corridors; to improve pedestrian and traffic safety; to minimize the possible adverse effect of signs on nearby public and private property; to avoid visual clutter that is potentially harmful to traffic and pedestrian safety, property values, and community appearance; to establish reasonable time, place, and manner provisions to facilitate the appropriate exercise of free speech; and to enable the fair and consistent enforcement of these sign regulations. Any display of off-premises signs is considered inappropriate to the character and sound development of the Town, and it is intended by this article that street and highway rights-of-way in the Town shall not be made available for such display unless erected and maintained by the Town of Amherst or another governmental entity. Billboards and other off-premises signs are prohibited except as expressly permitted by this ordinance.

Sec. 18.1-908.04. Permit required.
