

Your Journey Matters! Tell Us How You Reach Your Destinations.

Please take 7-Minutes to complete the CVPDC Commuter Survey to share information on how you travel or would like to travel (or commute) to access destinations – work, school, entertainment – in our area. **Your time could pay! Survey Participants can enter to win a \$100 gift card!**

Access the Commuter Survey Here: <https://www.surveymonkey.com/r/9DJ88NZ>

The Commuter Survey is part of a larger Commuter Needs Assessment being undertaken by the Central Virginia Planning District Commission (CVPDC) and will be used to inform commuting patterns, challenges, and interest/opportunities in using all modes – carpooling, biking, walking, transit, single vehicle – to access resources in the region.

To learn more about the Commuter Survey, the Commuter Needs Assessment, or to learn more about free commuter assistance services in our region, contact Ada Hunsberger, Commuter Assistance Program Manager, at Ada.Hunsberger@cvpdc.org.
